# Why does City National Bank specialize in Auto Loans?

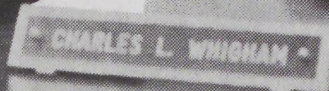

"First, City National Bank has long experience in offering No-Hassle, No-Haggle<sup>sm</sup> Auto Loans. Second of all, the people at City National are as expert in making friends as they are in making loans. City National has some of the most experienced personnel you'll ever find in a bank. And that's just the way I want it to stay.

If you can not pay cash for a new 1979 car, come to City National Bank of New Jersey. We will give you all the courtesy, sound advice, and fast service that you need to get a new car loan. And you can bank on that from me."

Dear Friend:

I wish to compliment City National Bank on its fine report in the Thursday, March 20th issue of the Star Ledger (copy attached). As a small businessperson in the City of Edison, I can truly appreciate the difficulties involved in maintaining a business, trying to hold on and go forward. This article represents a prime example and a lesson to be learned, that through unity and cooperation, goals once dreamed of are now obtainable. The time is now for everyone to become a depositor at City National Bank to help our community and ourselves.

I am proud of my business relationship with City National Bank and the many improvements that have taken place. To the people of our community, may I suggest we join ranks and carry our goals to higher grounds, it can be done! One of many ways to accomplish this is by: "Positive Thinking -- Positive Action -- Positive Banking at City National Bank" and know that as the bank's financial base is strengthened, so is the community - and remember, this is OUR COMMUNITY.

Yours truly,

## HE PUT IT TOGETHER

The torch and fire hose

Prison bars and Magnum

Households were shattered  
with chain and fetter  
In the wings he waited to  
put it together.

Black and Whites strove,

Visions and dreams, tar,

Oh! how he was needed to  
put it together

When program and future

Yes, lost dreams and hope

### **Ms. BEVERLY G. GISCOMBE, Esq.**

EAST ORANGE, New Jersey. A rising star in the New Jersey legal firmament is Ms. Beverly G. Giscombe, Esq. one of the new breed of black women attorneys, of which there are nearly a hundred throughout the state, most of which belong to the Association of Black Women Lawyers of N.J.

Ms. Giscombe finds the challenging field of entertainment law beckoning and plans to eventually specialize in the field. She is a native of East Orange and daughter of Col. & Mrs. Ernest Davis, granddaughter of Mr. & Mrs. Octavies Coleman, one of Nwk, and East Oranges' greatest families, the famed Coleman Brothers, who owned a major hotel and lounge, were involved in the music business and are civic leaders and church activists.

Giscombe is t present employed as house counsel for the Allstate Insurance Corporation. Before that she worked with the Greater A & P in Commercial Leasing and for Girard Nationwide Planning as a financial consultant. She served her legal clerkship in Jersey Cith and with the Juvenile and Domestic Courts in Nwk.

She obtained her Juris Doctorate in Law from Seton Hall Law Center, a Masters in Urban Affairs and Education from Montclair State and a Bachelorate Degree in Sociology and Education, and also holds a N.J. Real Estate License. She has even studied at the Inter-American University in Puerto Rico.

Before obtaining her Juris Doctor, Ms. Giscombe taught in the Newark School system in the bilingual program, adult education program, and the High Schools, she sold real estate, and worked as an assistant to the president of a leading production and booking agency. In the beginning she was a flight hostess for Trans World Arilines and then for Eastern Airlines.

Beverly G. Giscombe, Esq., is a well-travelled, versatile and extremely enterprising young attorney. She is a member of 10 bar associations, boards, social and civic groups, including the National Bar Association, Essex County Bar Association, and Association of Black Women Lawyers of N.J.

Elegantly clad in a white and red silk pant suit in her comfortable five room East Orange apartment, Beverly admitted at age 14 she wanted to be an actress. Dorothy Dandridge, Cecily Tyson and Betty Davis were her favorites. . . 'but, in college the law and the theater merged. . .' Now with entertain law as her goal there can truly be a merging. This aspect of the law deals with the law of movies, stage, TV and radio in which the drawing up of contracts, negotiations, legal advice on shows, investments and intricacies of the business lives of performers are elements.

A typical work day for the talented attorney begins at 6:30 a.m. and ends after 12:00 a.m. as she works in her practical and well equipped office out of her E.O. apt. When asked why she works so hard she replied. . . 'Bad luck and hard times are something that we endure, good luck and success are something that we make.'

Gold, coral and blue are her favorite colors, yellow roses her favorite flowers. Her reading, when not legal, is mostly catholic in style. She enjoys jazz, popular music, theater, chess, tennis, horseback riding and of course travelling. When asked if marriage and family are in the big picture, she responded, 'hopefully, eventually.'

As the Public Relations Officer for the Assoc. of Black Women Lawyers of N.J. Giscombe helped plan to make successful their 5th Annual Scholarship Dinner Dance of late May 2, at the Patrician in Livingston, N.J., where Larrie Stalks, Civil Rights Director Warren Smith and Municipal Court Judge Betty Lester were honored. The Assoc. gives financial support to deserving law students as well as a host of other community involvements.

## HEALTH SPA CHECK LIST

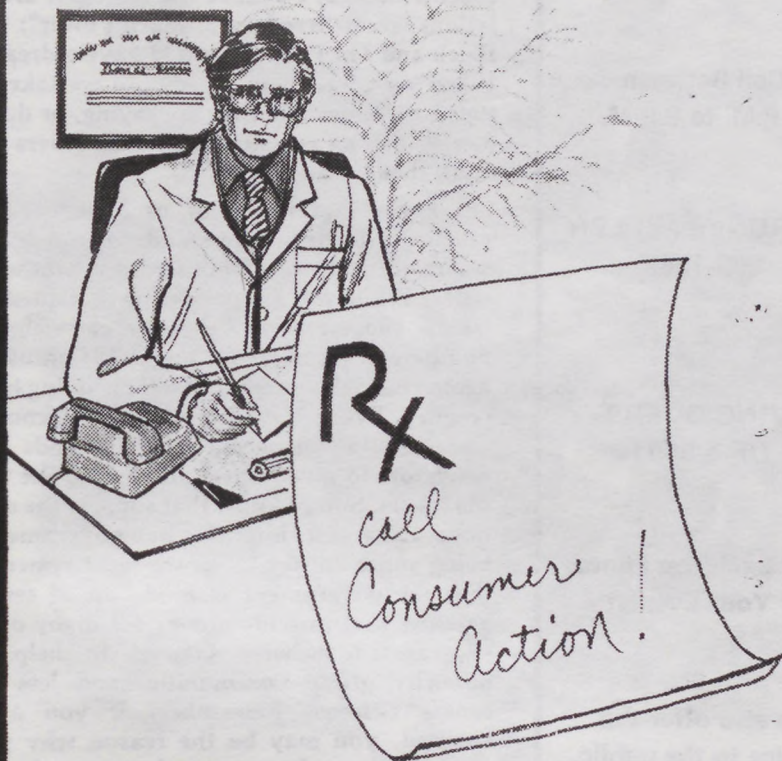

When Spring is here, can summer vacation be far behind?

Hope Jackson, manager of the Newark Office of Consumer Action advises anyone wanting to shed a few pounds before vacation time to keep the following in mind before joining a health spa:

- Read the contract before you sign. If you need help, bring it home and get the help you need.
- A great percentage of people who join Health Spas drop out within the first four months.
- Don't be high-pressured into signing contracts on the spot.
- Ignore exaggerated claims from high-priced salesmen and advertisements.
- Instructors are not required to have a degree or any formal training in physical education to be hired and the training they receive on the job may emphasize sales promotion.
- The overwhelming percentage of expenses per contract of many health spas is incurred in the advertising and selling of memberships rather than in the delivery of services.
- Look for a short-term contract, easy cancellation, and a small initial payment.
- Make a trial visit during the hours you plan to use the spa.
- Make sure the spa is well established. Members have been known to sign up during the pre-opening sale only to find the spa never opens.

**THE  
AFTER HOURS  
PHOTO SERVICE**

The past two decades have added to the vocabularies of people and dictionaries. We've had expressions such as: "right on"; "cool"; "dig"; "what's happening"; "get down"; "back lash"; and "brother." But in Black America, I believe the strongest articulations were: "freedom"; "Black Power"; "I'm Black and I'm Proud"; and "I have a dream." When we utter these words, do we take the time to wonder what we are saying, or do we merely use an expression so that others will think that we are "hip"?

I know that many of us have used the greeting: "hello brothers and sisters," but do we really treat one another as a brother or sister? While you are pondering that question, let me suggest a way that we can help one another. In April, 1980, the U.S. Census will again count the number of people living in the country. Every Black person must be counted and should encourage their friends and neighbors to give honest answers to the Census takers. Sure, I know that some of the questions make you think that the government is being super "nosey," but we must remember that the government is made up of several agencies that provide money for many of the programs that were created to help the minority group communities and less fortunate citizens. Remember! If you aren't counted, you may be the reason why your state does not have enough money for job training projects, adequate low cost housing, health care services, day care centers, emergency food and medical aid, or welfare assistance. Let's all promise to be our "brother's brother," in the political world, because your every second in this world is governed by some kind of politics.

Remember the food you eat, the water you drink, and the air you breathe is governed by Polly Ticks!
